Course summary

This free course, Collective leadership, will give you an insight into the importance of how to be a more effective leader, and how to better engage and work with 'followers' in an organisational setting.

Learning outcomes

By completing this course, the learner should be able to:

- briefly describe leadership theory, considering the leader, the follower and the collective
- understand the metaphor of the 'Collective Canyon'
- understand the importance of a collective leadership approach.

Completed study

The learner has completed the following:

Section 1

What is leadership?

Section 2

Individual leadership versus collective leadership

Section 3

Leadership practices to promote collective leadership
